

**Lifting Sales Control for MERACRYL™ MMA (methyl methacrylate)**

Although demand remains high, Röhm GmbH is lifting its Sales Control for MERACRYL™ MMA (methyl methacrylate) in the European region effective October 12, 2020, which was initially put in place September 15, 2020.

This is supported by the resumption of production in Roehm GmbH's plant located in Worms, Germany which has now successfully completed its annual plant maintenance turnaround and successfully resumed operations.
